Nga mihi mahana ki a koutou katoa (warm greetings to you all).

Science was really to the fore at Apanui School this week with the Science Roadshow here. Our team 3 and team 4 children were treated to a live show, hands-on exhibits and experiences that broadened their knowledge and experience; connecting with science and technology and the world around them. Kotuku's Anja said "It was really exciting and fun, I really liked the illumination wall" and Isaac's favourite activity was the air pressure, strength machine. "It was a cool and exciting experience.

Next week will be a particularly busy week with the Rangitaiki Festival, our Child Centred Conferences and the Eastern Bay of Plenty 7s tournament. Our student centred conferences are scheduled for Wednesday 7th August. Please use the link below to schedule a time that suits your family.

I had a lovely catchup with Mr Akroyd yesterday. He's looking fit and well after a wonderful overseas trip and ready to continue to lead our fantastic school from Monday 12th August.

Child Centred Conferences (CCC's)

Wednesday August 7th

Please make sure that you book for the CCC's. We want all parents and their children to attend. We want to hear from you about your goals for them, from the child themselves and we will share our thoughts on how things have started as well. We would love a 100% turnout.

Phone the office if you do not have internet access.
