Nga mihi mahana ki a koutou katoa (warm greetings to you all).

Firstly a huge mihi to those who have completed our Health Education survey on Survey Monkey. The responses received so far have been thoughtful and very helpful, with some suggestions that we'll be sure to implement. If you haven't had a chance to respond to the survey here's the link to the survey that closes on the 19th July <https://www.surveymonkey.com/r/3B93Q35>

The last few weeks of term 2 are always challenging for teachers as they get their children's assessments done, record it on the school's system, write reports and keep their classroom programmes running; all the while trying to dodge the winter illnesses that inevitably show up at this time of the year. A big thank you to our wonderful team of teachers who have done such a great job this term. We wish them a relaxing and rejuvenating break.

Next term we welcome 2 new members to our teaching team. Jenna Barton who is very familiar to many children at Apanui will be teaching our roll growth classroom 'Weka' in the administration block and Ashlee Amoamo will be taking over Karearea 16 as Mikaela Horn heads overseas.

The weather for the school holidays looks promising, so I hope that this enables everyone to enjoy the break, spending time with the people that matter to you. If you are lucky enough to be going somewhere, then travel safely. See you next term which starts on Monday 22nd July.
